

Hi, My name is Misty Berube. I am an Inclusion teacher in Grades 1-5. My job is to help students in their learning journey. I work in small groups, whole class teaching, and sometimes just with one student at a time. Reading and writing are my favourite subjects to teach.

I am married and have two sons. We enjoy travelling, skiing, golfing and curling. I spend my weekends watching both my sons curl all over the province.

I have worked in Red Deer Catholic division for 20 years. The schools I have taught at are: Holy Family, Camille and now St.Teresa. My motto is to always have fun!
